8. Termination of employment. Notice to be given by employer and employee.
9. Acts and omissions constituting misconduct and punishments including fines which may be imposed therefor.
10. Grievances and complaints of employees regarding industrial matters—Procedure for the investigation thereof, and means of redressing them.
11. Disciplinary rules not specifically provided for in any of the foregoing items of this Schedule.

STATEMENT OF OBJECTS AND REASONS.

The recent bus strike in the City of Madras and the strikes in industrial areas in this Province have revealed the inefficiency of the existing machinery to deal satisfactorily with industrial disputes. Under the Trade Disputes Act, 1920 (VII of 1920), the findings of a Court of Inquiry or Board of Conciliation are only recommendatory. Even if the parties to an industrial dispute agree to arbitration they can enforce the award of the arbitrator only by going to a civil court. With a view to prevent production in factories from being hindered

by protected strikes and lock-outs, it is considered necessary to introduce legislation providing among other things for compulsory arbitration.

The Bill does not apply to industries which are conducted or carried on by or under the control of the Central Government or by the Federal Railway Authority or by a railway company operating a Federal Railway. The provisions of the Bill will apply mainly to major industries employing not less than 200 persons.

Conciliators will be appointed by the Government for such areas or for such industries as they think fit. It will be the duty of the conciliators to bring about a settlement of an industrial dispute within their jurisdiction. The Commissioner of Labour, Madras, will be the Chief Conciliator and his jurisdiction will extend to the whole of the Province. Every employer should submit to the Chief Conciliator a statement of the standing orders regulating the relations between him and his employees in respect of industrial matters. The Chief Conciliator will scrutinise these standing orders and if he finds that any standing order does not comply with the provisions of the laws and regulations applicable to the industry concerned, he can direct the employer to modify the standing order so as to bring it into accord with such laws and regulations.

There will be a Court of Arbitration for the Province, consisting of a Judge of the High Court of Madras nominated by the Government in consultation with the Chief Justice. Where conciliation has failed, either of the parties to an industrial dispute may apply to the Provincial Government to submit the dispute to the Court of Arbitration. The Government have also the power to refer any industrial dispute to the Court of Arbitration in certain circumstances, irrespective of the number of persons employed in the industry concerned. Arbitration proceedings will be held by the Judge of the Court of Arbitration either sitting singly or in cases where the Government so direct with the aid of two assessors appointed by the Government. The assessors will be persons possessing special knowledge of the industry concerned or of labour conditions generally and may be either officials or non-officials. The decision of the Court of Arbitration on a reference made to it will be final and binding on all the parties concerned and cannot be called in question in any court of law.

A provision has been made in the Bill specifying when strikes and lock-outs will be illegal. Adequate penalties have been provided for illegal strikes and lock-outs.

The provisions of the Bill will not affect any of the provisions of the Trade Disputes Act, 1929. No conciliation or arbitration proceeding can be held under the provisions of the Bill in respect of any matter or dispute when proceedings in respect thereof under the Trade Disputes Act, 1929, are pending.

Secretary to Government, Legal Department.

NOTIFICATION.

The following Statement of the reasons which have moved His Excellency the Governor to enact the Madras Probation of Offenders (Amendment) Act, 1942, an exercise of the powers of the Provincial Legislature conferred by him under the Proclamation issued under section 93 of the Government of India Act, 1935, is published for general information:—

STATEMENT.

The Madras Probation of Offenders Act, 1934 (Madras Act III of 1937) provides for the release of first offenders by Courts after sentence or on probation of good conduct. The Madras Probation Discharged Prisoners' Aid Society has recommended to the Government that a probationer who has satisfactorily completed his probation should not be subjected to the disqualifications attaching to a conviction for an offence. The Government have accepted the recommendation. A new section (on the lines of section 22 of the Madras Forest Schools Act, 1925) has accordingly been inserted in the Madras Probation of Offenders Act, 1934, to the effect that any person who is dealt with under the provisions of the Act shall not suffer any disqualification attaching to a conviction for an offence. The concession would not of course be available to a person who has failed to observe the conditions of his release and is consequently dealt with under section 7 (2) of the Act.

A Bill on the above lines was published for criticism, but no objection or suggestion was received. His Excellency the Governor has therefore enacted the Madras Probation of Offenders (Amendment) Act, 1942.

(By order of His Excellency the Governor)

P. APPU NAIR,

Secretary to Government.

The following Act received the assent of His Excellency the Governor on the 22nd November 1942 and is hereby published for general information:—

WHEREAS it is expedient further to amend the Madras Estates Land Act, 1908, for the purpose hereinafter appearing:

AND WHEREAS the Governor of Madras has, by a Proclamation under section 93 of the Government of India Act, 1935, assumed to himself all powers vested by or under the said Act in the Provincial Legislature;

NOW, THEREFORE, in exercise of the powers so assumed to himself, the Governor is pleased to enact as follows:—

1. This Act may be called the Madras Estates Land (Amendment) Act, 1942.

2. In clause (b) of sub-section (2) of section 185-A of the Madras Estates Land Act, 1908, after the words "a Judicial officer eligible for appointment as a Judge of the High Court", the words "or a retired Judicial officer who immediately before his retirement was so eligible", and after the words "experienced Revenue officer", the words "whether in active service or retired" shall be inserted.

SCHEMERY.

Sub-section (2) of section 185-A of the Madras Estates Land Act, 1906 (Madras Act I of 1906) provides for the constitution of special Tribunals to hear and dispose of applications received from landlords for a declaration that they possess the land in certain categories of land situated in their estates. The sub-section provides that each Tribunal shall consist of three members one of whom shall be a Judicial officer eligible for appointment as a Judge of the High Court and another an experienced Revenue officer.
